(f) Establishment of Advisory Committee on Long-Term Clinical Clerkships.

(1) Upon consultation with the Board of Regents, the Chancellor shall appoint an Advisory Committee on Long-Term Clinical Clerkships. The Committee shall serve in a consultative and advisory capacity on matters pertaining to the standards and process for approving international medical schools to place their students in long-term clinical clerkships in New York State and shall perform such specific tasks as are assigned by the Department or the Board of Regents.

(2) Composition of the committee. The committee shall consist of:

(i) one member of the Board of Regents, who will serve as co-chair of the committee along with the chairperson of the State Board for Medicine;

(ii) the chairperson of the State Board for Medicine or another member of the such board designated by the chairperson, who will serve as co-chair of the committee along with the member of the Board of Regents;

(iii) the Executive Secretary of the State Board for Medicine, who shall be a non-voting member of the committee;

(iv) one representative of the Department of Health;

(v) two physicians who are experienced in the evaluation of medical education programs;

(vi) two representatives of international medical schools approved by the Department or Board of Regents to place their students in long-term clinical clerkships in New York State;

(vii) two representatives of medical schools registered in New York State; and

(viii) two representatives from hospitals that serve as sites for clinical clerkships in New York State.

(2) Terms of members. The terms of the members of the first committee appointed pursuant to subparagraphs (v) through (viii) of paragraph (1) of this subdivision shall be so arranged that the terms of two members shall expire on June 30, 2013, the terms of two on June 30, 2014, and the terms of two on June 30, 2015, and the terms of two on June 30, 2016. Thereafter, all members appointed pursuant to subparagraphs (v) through (viii) of paragraph (1) of this subdivision shall be appointed to serve a term of four years each, beginning with the first day of July next following the ending of the term to which each, respectively, is to succeed, except that an appointment to fill a vacancy created other than by the expiration of a term shall be for the unexpired term. Members shall serve no more than two terms in succession, except that a member may serve a succeeding third term if at least one of the preceding two

terms was less than two years in duration. Members may again serve two terms in succession after a gap in service of at least four years.

(3) Duties of the Advisory Committee on Long-Term Clinical Clerkships. The committee shall gather and study existing research on relevant issues, such as health workforce demands and trends, health workforce diversity and Board of Regents policy determinations. Based on such research and policy determinations, the committee shall:

(i) make recommendations regarding the standards to be applied in assessing applications by international medical schools for approval to place their students in long-term clinical clerkships in New York State;

(ii) make recommendations regarding the process to be followed in assessing such applications for approval to place their students in long-term clinical clerkships;

(iii) appoint an appropriate site review team from a roster of individuals approved by the committee; and

(iv) after consideration of the site review report, issue a report and recommendation, with minority opinions reflected, as to whether an application for placement of students in a long-term clinical clerkship should be approved.

(4) After consideration of the committee's recommendations, the Department shall make a recommendation to the Board of Regents as to whether an application for authorization to place students in a long-term clinical clerkship should be approved. Upon approval by the Board of Regents, the medical school shall be authorized to place students in long-term clinical clerkships in New York State pursuant to standards and/or limitations prescribed by the Board of Regents.

(5) Until the Board of Regents approves the new standards and processes for approval for the placement of students in international medical schools in long-term

clinical clerkships, schools currently approved for such purpose will continue to be subject to the current standards and processes prescribed in subdivision (c) of this section.
