

AMENDMENT TO THE REGULATIONS OF THE COMMISSIONER OF EDUCATION

Sections 207, 305, 3001, 3004 and 3006 of the Education Law.

1. Paragraphs (45) through (47) of subdivision (b) of Section 80-1.1 of the Regulations of the Commissioner of Education should be renumbered (46) through (48) of Section 80-1.1 of the Regulations of the Commissioner of Education, effective July 15, 2011.

2. A new paragraph (45) of subdivision (b) is added to Section 80-1.1 of the Regulations of the Commissioner of Education, effective July 15, 2011, to read as follows:

(45) Transitional G certificate means the first teaching certificate obtained by a candidate who holds an appropriate graduate degree in science, technology, engineering or mathematics and has two years of acceptable experience teaching in a post-secondary institution, that qualifies that individual to teach in the public schools of New York State, subject to the requirements and limitations of this Part, and excluding the provisional certificate, initial certificate, internship certificate, conditional initial certificate, transitional A certificate, transitional B certificate and transitional C certificate.

3. Subparagraph (i) of paragraph (2) of subdivision (b) of section 80-3.3 of the Regulations of the Commissioner of Education is amended, effective July 15, 2011, to read as follows:

(i) [The] (a) Except as otherwise provided in subdivision (b) of this section, the candidate shall submit evidence of having achieved a satisfactory level of performance on the New York State Teacher Certification Examination liberal arts and sciences test, written assessment of teaching skills, and content specialty test(s) in the area of the

certificate, except that a candidate seeking an initial certificate in the title of Speech and Language Disabilities (all grades) shall not be required to achieve a satisfactory level of performance on the content specialty test.

(b) Examination requirement for candidates with a graduate degree in science, technology, engineering or mathematics and two years of post-secondary teaching experience in the area of the certificate sought. Any candidate seeking an initial certificate in earth science, biology, chemistry, physics, mathematics or in a closely related field as determined by the Department in (grades 7-12) and who is seeking an initial certificate through individual evaluation under section 80-3.7(a)(3)(ii)(c) shall not be required to achieve a satisfactory level of performance on the written assessment of teaching skills examination or the content specialty test.

4. Section 80-3.7 of the Regulations of the Commissioner of Education is amended, effective July 15, 2011, to read as follows:

This section prescribes requirements for meeting the education requirements for classroom teaching certificates through individual evaluation. [This] Except as otherwise provided in this section, this option for meeting education requirements shall only be available for candidates who apply for a certificate in childhood education by February 1, 2007 and for candidates who apply for any other certificate in the classroom teaching service by February 1, 2012, and who upon application qualify for such certificate. Candidates with a graduate degree in science, technology, engineering or mathematics who apply for an initial teaching certificate under 80-3.7 (a)(3)(ii)(3) may continue to meet the education requirements for classroom teaching certificates through individual evaluation after February 1, 2012. The candidate must have achieved a 2.5

cumulative grade point average or its equivalent in the program or programs leading to any degree used to meet the requirements for a certificate under this section. In addition, a candidate must have achieved at least a C or its equivalent in any undergraduate level course and at least a B- or its equivalent in any graduate level course in order for the semester hours associated with that course to be credited toward meeting the content core or pedagogical core semester hour requirements for a certificate under this section. All other requirements for the certificate, including but not limited to, examination and/or experience requirements, as prescribed in this Part, must also be met.

(a) Satisfaction of education requirements through individual evaluation for initial certificates in all titles in classroom teaching service, except in specific career and technical subjects within the field of agriculture, business and marketing and consumer services, health, a technical area, or a trade (grades 7 through 12).

5. Section 80-5.22 of the Regulations of the Commissioner is added, effective July 15, 2011 as follows:

§80-5.22 Transitional G certificate for career changers and others holding a graduate or higher degree in science, technology, engineering or mathematics and with at least two years of acceptable post-secondary teaching experience.

(a) General requirements.

(1) Time validity. The transitional G certificate shall be valid for two years.

(2) Limitations. The transitional G certificate shall authorize a candidate to teach only in a school district for which a commitment for employment has been made. The candidate shall meet the requirements in each of the following paragraphs:

(i) Education. A candidate shall hold a graduate degree in science, technology, engineering or mathematics from a regionally or nationally accredited institution of higher education, a higher education institution that the Commissioner deems substantially equivalent, or from an institution authorized by the Board of Regents to confer degrees. A candidate shall complete study in the means for identifying and reporting suspected child abuse and maltreatment, which shall include at least two clock

hours of coursework or training in the identification and reporting of suspected child abuse or maltreatment in accordance with the requirements of section 3004 of the Education Law. In addition, the candidate shall complete at least two clock hours of coursework or training in school violence prevention and intervention, as required by section 3004 of the Education Law, which is provided by a provider approved or deemed approved by the Department pursuant to Subpart 57-2 of this Title.

(ii) Examination. The candidate shall submit evidence of having achieved a satisfactory level of performance on the New York State Teacher Certification Examination liberal arts and sciences test.

(iii) Post-secondary teaching experience. The candidate shall submit evidence of at least two years of satisfactory teaching experience at the post-secondary level in the certificate area to be taught or in a closely related subject area acceptable to the Department.

(iv) Employment and support commitment. The candidate shall submit satisfactory evidence of having a commitment from a school district of at least two years of employment as a teacher with the school district in the area of the certificate sought, which shall include a plan from the school district for mentoring, appropriate instructional support as determined by school leadership and at least 70 hours of professional development targeted toward appropriate pedagogical skills, over the two years of employment.
