(d) the entity will comply with section 18 of the Public Health Law relating to patient access to records;

(e) the entity will make available any and all information requested by the Department relating to the entity's eligibility for a waiver and the entity's compliance with the requirements of this section and section 6503-a of the Education Law;

(f) includes a statement as to whether any application by the entity for an operating certificate or license with another state or federal agency, political subdivision, municipal corporation, or local government agency has been granted and such operating certificate or license is currently in effect; whether such application is pending or was disapproved; whether such a certificate or license was revoked; and whether a written authorization or contract was terminated for cause by one of such agencies;

(g) the entity has adequate fiscal and financial resources to provide such services;

(h) the statements on the application are true and accurate.

(d) Entities that do not require a waiver. In accordance section 6503-a of the Education Law, the following entities do not require a waiver under this section:

(1) any entity operated under an operating certificate appropriately issued in accordance with article sixteen, thirty-one, or thirty-two of the mental hygiene law, article twenty-eight of the public health law, or comparable procedures by a New York state or federal agency, political subdivision, municipal corporation, or local government agency or unit, in accordance with the scope of the authority of such operating certificate;

(2) a university faculty practice corporation duly incorporated pursuant to the not-for-profit corporation law;

(3) an institution of higher education authorized to provide a program leading to licensure in a profession defined under article 131, 139, 153, 154, or 163 of the Education Law, to the extent that the scope of such services is limited to the services authorized to be provided within such registered program;

(4) an institution of higher education providing counseling only to the students, staff, or family members of students and staff of such institution; or

(5) any other entity that is otherwise authorized by law to provide such services and only to the extent that services are authorized under any certificates of incorporation or such other organizing documents as may be applicable.

(e) Provision of professional services.

(1) The entity shall describe in the application the services that will be provided that would otherwise be restricted to individuals licensed or authorized under Articles 153, 154 or 163 of the Education Law. The description shall indicate the profession(s) in which services will be provided and shall include:

(i) An attestation that individuals authorized to provide professional services only under supervision will receive the required supervision;

(f) Attestation of moral character.

(1) Each director and officer of the entity shall submit on forms prescribed by the Commissioner an attestation regarding whether:

(i) the individual has been found guilty after trial, or pleaded guilty, no contest or *nolo contendere* to a crime (felony or misdemeanor) in any court;

(ii) the individual has criminal charges (felony or misdemeanor) pending in any court;

(iii) any licensing or disciplinary authority has refused to issue a license or has ever revoked, annulled, cancelled, accepted surrender of, suspended, placed on probation, or refused to renew a professional license or certificate held by the individual now or previously, or has ever fined, censured, reprimanded or otherwise disciplined the individual;

(iv) there are any pending charges against the individual in any jurisdiction for any sort of professional misconduct; or

(v) a hospital or licensed facility has restricted or terminated the individual's professional training, employment or privileges, or whether the individual has ever voluntarily resigned or withdrawn from such association to avoid imposition of such measure.

(2) Any information included in the application that indicates that a director or officer of the entity has committed an act which raises a reasonable question as to the individual's moral character shall be referred to the Director of the Office of Professional Discipline or his or her designee. The determination of whether a director or officer of the entity is of good moral character shall be made in accordance with the procedures specified in Subpart 28-1 of the Rules of the Board of Regents.

(g) Review of waiver applications. The application shall not be deemed acceptable if the entity has not submitted information identified in paragraphs (c), (e), and (f) of this section. The Department may deny an application based on the failure of the applicant to submit the required information within a reasonable period of time, as determined by the department. When, in the determination of the department, all necessary information has been received, a decision to approve or deny the waiver

application shall be made within 90 days of such determination. If the waiver application is denied, then the entity shall cease the provision of professional services as defined in section 6503-a(1)(a) of the Education Law. The determination of the Department shall be final, and a copy thereof shall be forwarded to the applicant.

(3) Each waiver certificate shall display the name of the entity and the address of the site.

(4) Any entity that willfully fails to obtain a certificate of waiver for each site and/or to display the waiver certificate at each site shall be subject to the penalties set forth in section 6511 of the Education Law.

(i) Notification of changes.

(1) An entity that is issued a waiver pursuant to section 6503-a of the Education Law shall notify the Department within 60 days of any change in the information supplied to the department, including but not limited to a change in the:

(iii) person responsible for filing the waiver application on behalf of the entity or the contact information for such person; and/or

(iv) a transfer or assignment of interest as set forth in subdivision (i) of this section, provided that the entity shall notify the Department immediately of such change.

(2) Notification shall be made in a form prescribed by the department.

(j) Transfer or assignment of waiver. A waiver issued by the Department pursuant to section 6503-a of the Education Law shall not be transferable or assignable. For purposes of this section, a transfer or assignment shall mean the conveyance of a waiver under this section from one entity to another entity by any means, including but not limited to a merger, consolidation, or a change in control of the entity.

(k) Triennial application. A waiver issued pursuant to this section shall be valid for three years. An entity that is issued a waiver pursuant to this section shall submit to the Department for review an application for renewal of the waiver every three years.

Any such waiver shall be subject to suspension, revocation or annulment for cause, and any entity holding such a waiver shall be subject to disciplinary proceedings and penalties in the same manner, to the same extent, and for the same reasons as individuals and professional entities practicing the same

profession, as provided in Title VIII of the Education Law and this Part. For purposes of this subdivision, a certificate of waiver shall be considered the same as a license to practice a profession.

(b) Failure to disclose information. It shall be unprofessional conduct for an entity issued a waiver pursuant to section 59.14 of this Title to have failed to disclose all information required by the Department in order to make an accurate determination of the entity's waiver application. This shall include the failure to notify the Department that a director or officer of the entity has committed an act which raises a reasonable question as to moral character.

(c) Penalties for professional misconduct. The Board of Regents may impose upon an entity found guilty of unprofessional conduct under this section those penalties and fines authorized in section 6511 of the Education Law.
