

AMENDMENT TO THE REGULATIONS OF THE COMMISSIONER OF EDUCATION

Pursuant to sections 101, 207, 305, 803 and 3204 of the Education Law.

Subclause (1) of clause (b) of subparagraph (ii) of paragraph (7) of subdivision (c) of section 135.4 of the Regulations of the Commissioner of Education is amended, effective January 19, 2015, as follows:

(1) Duration of competition. A pupil shall be eligible for senior high school athletic competition in a sport during each of four consecutive seasons of such sport commencing with the pupil's entry into the ninth grade and prior to graduation, except as otherwise provided in this subclause, or except as authorized by a waiver granted under clause (d) of this subparagraph to a student with a disability. If a board of education has adopted a policy, pursuant to subclause (a)(4) of this subparagraph, to permit pupils in the seventh and eighth grades to compete in senior high school athletic competition, such pupils shall be eligible for competition during five consecutive seasons of a sport commencing with the pupil's entry into the eighth grade, or six consecutive seasons of a sport commencing with the pupil's entry into the seventh grade. A pupil enters competition in a given year when the pupil is a member of the team in the sport involved, and that team has completed at least one contest. A pupil shall be eligible for interschool competition in grades 9, 10, 11 and 12 until the last day of the school year in which he or she attains the age of 19, except as otherwise provided in subclause (a)(4) or clause (d) of this subparagraph, or in this subclause. The eligibility for competition of a pupil who has not attained the age of 19 years prior to July 1st may be extended under the following circumstances.

(i) If sufficient evidence is presented by the chief school officer to the section to show that the pupil's failure to enter competition during one or more seasons of a sport was caused by illness[,] or accident [, or similar circumstances beyond the control of the student], such pupil's eligibility shall be extended accordingly in that sport. In order to be deemed sufficient, the evidence must include documentation showing that as a direct result of the illness[,] or accident [or other circumstance beyond the control of the student], the pupil will be required to attend school for one or more additional semesters in order to graduate.

(ii) . . .
