Pursuant to Education Law sections 101, 207, 305, 803 and 3204.

1. Subclause (4) of clause (a) of subparagraph (ii) of paragraph (7) of subdivision (c) of section 135.4 of the Regulations of the Commissioner of Education is amended effective July 1, 2017 to read as follows:

(ii) Provisions for interschool athletic activities for pupils in grades 7 through 12. It shall be the duty of the trustees and boards of education to conduct interschool athletic competition for grades 7 through 12 in accordance with the following:

(a) Interschool athletic competition for pupils in junior high school grades seven, eight and nine. Such competition shall be conducted in accordance with the following: Seventh and eighth grade teams may participate only with teams of like grade groups, with the following exceptions:

(1) In junior high school, competition may include grades seven through nine.

(2) In six-year high schools, competition may include grades seven through nine.

(3) In four-year high schools, ninth grade pupils may participate in junior high competition.

(4) (j) A board of education may permit pupils in grades no lower than seventh to compete on any senior high school team, or permit senior high school pupils to compete on any teams in grades no lower than seventh, provided the pupils are placed at levels of competition appropriate to their physiological maturity, physical fitness and skills in relationship to other pupils on those teams in accordance with standards established by the commissioner.

(ii) Nothing in this subclause shall prohibit a bona fide seventh or eighth grade student, as defined by subdivision (g) of section 135.1, who is regularly enrolled in a public school district organized for pupils in kindergarten through eighth grade that contracts with a neighboring school district or districts on a tuition basis for the education of its high school students pursuant to Education Law sections 2040 and 2045 and section 174.4 of this Title, from seeking to participate in a high school team, in accordance with the standards described in item (i) of this subclause, provided that the boards of education of the sending school district (as such term is defined in section 174.4(a)(1) of this Title) and the receiving school district(s) (as such term is defined in section 174.4(a)(2) of this Title) adopt a resolution to permit such participation. In the case of seventh and eighth grade students attending a public school district organized for pupils in kindergarten through eighth grade that contracts with more than one neighboring school district for the education of its high school students, any such seventh or eighth grade student who participates in high school athletics pursuant to this subclause may select only one high school in which to compete during their seventh and eighth grade participation; if, following participation in a high school team during seventh and/or eighth grade, such student chooses to attend a different high school with which the student's kindergarten through eighth grade school district contracts for the education of its high school students, such student shall be ineligible to participate in any interscholastic athletic contest in a particular sport for a period of one year.

2. Clause (b) of subparagraph (ii) of paragraph (7) of subdivision (c) of section 135.4 of the Regulations of the Commissioner of Education shall be amended, effective July 1, 2017 to read as follows:

(b) Interschool athletic competition for pupils in senior high school grades 9, 10, 11 and 12. Inter-high school athletic competition shall be limited to competition between high school teams, composed of pupils in grades 9 to 12 inclusive, except as otherwise provided in subclause (a)(4) of this subparagraph. Such activities shall be conducted in accordance with the following:

(1) Duration of competition. A pupil shall be eligible for senior high school athletic competition in a sport during each of four consecutive seasons of such sport commencing with the pupil's entry into the ninth grade and prior to graduation, except as otherwise provided in this subclause, or except as authorized by a waiver granted under clause (d) of this subparagraph to a student with a disability. If a board of education has adopted a policy, pursuant to subclause (a)(4) of this subparagraph, to permit pupils in the seventh and eighth grades to compete in senior high school athletic competition, such pupils shall be eligible for competition during five consecutive seasons of a sport commencing with the pupil's entry into the eighth grade, or six consecutive seasons of a sport commencing with the pupil's entry into the seventh grade. A pupil enters competition in a given year when the pupil is a member of the team in the sport involved, and that team has completed at least one contest. A pupil shall be eligible for interschool competition in grades 9, 10, 11 and 12 until the last day of the school year in which he or she attains the age of 19, except as otherwise provided in subclause (a)(4) or clause (d) of this subparagraph, or in this subclause. The eligibility for competition of a pupil who has not attained the age of 19 years prior to July 1st may be extended under the following circumstances.

(i) If sufficient evidence is presented by the chief school officer to the section to show that the pupil's failure to enter competition during one or more seasons of a sport was caused by illness, [or] accident, documented social/emotional condition, or documented social/emotional circumstances beyond the control of the pupil, such pupil's eligibility shall be extended accordingly in that sport. In order to be deemed sufficient, the evidence must [include documentation showing that as a direct result of the illness or accident, the pupil will be required to attend school for one or more additional semesters in order to graduate] demonstrate that: (a) the pupil's failure to enter competition during one or more seasons of a sport was caused by illness, accident, documented social/emotional condition or documented social/emotional circumstances beyond the control of the pupil; (b) as a direct result of such circumstances the pupil is required to attend school for one or more additional semesters in order to graduate; and (c) such participation would not have a significant adverse effect upon the opportunity of other pupils to participate successfully in interschool competition in the sport. However, nothing herein shall be construed to extend a student's eligibility beyond the age of 19, except as provided in (d) of subparagraph (ii) of this paragraph.

(ii) If the chief school officer demonstrates to the satisfaction of the section that the pupil's failure to enter competition during one or more seasons of a sport is caused by such pupil's enrollment in a national or international student exchange program or foreign study program, that as a result of such enrollment the pupil will be required to attend school for one or more additional semesters in order to graduate, and that the pupil did not enter competition in any sport while enrolled in such program, such pupil's eligibility shall be extended accordingly in such sport.

(iii) If the section declines to extend the pupil's eligibility in accordance with this subclause, the section shall provide written notice of such determination to the chief school officer, with a copy to the pupil's parent, guardian or person in parental relation. Such notice shall include, as applicable: information regarding the athletic association's internal appeal process, including the name of the individual and address to which such appeal is to be directed; or a statement that the determination may be appealed to the Commissioner of Education, in accordance with Education Law section 310, within 30 days of the date of such determination and shall include the name and address of the section official upon whom such appeal shall be served. If the athletic association hears and denies an appeal, written notice of the determination shall be provided to the chief school officer, with a copy to the pupil's parent, guardian or person in parental relation. Such notice shall include a statement that the determination may be appealed to the Commissioner of Education, in accordance with Education Law, section 310, within 30 days of the date of such determination and shall include the name and address of the athletic association official upon whom such appeal shall be served.
