(e) In accordance with section 29.1(b)(9) and (10) of this Title, a licensed dental hygienist performing services under the supervision of a licensed dentist or pursuant to a collaborative arrangement as defined in subdivision (f) of this section is not permitted to provide dental services or dental supportive services that the licensed dental hygienist knows or has reason to know that he or she is not competent to perform, and

a licensed dentist is not permitted to delegate to a licensed dental hygienist dental services or dental supportive services that the licensed dentist knows or has reason to know that the licensed dental hygienist is not qualified by training, experience or by licensure to perform.

5. Subdivision (f) of section 61.9 of the Regulations of the Commissioner of Education is added, effective January 1, 2015, to read as follows:

(f) Collaborative arrangement.

(1) Definitions. As used in this subdivision:

(i) Collaborative arrangement shall mean an agreement between a registered dental hygienist working for a hospital and a licensed and registered dentist who has a formal relationship with the same hospital.

(ii) Hospital shall mean a hospital as defined by Public Health Law section 2801(1).

(2) Requirements. A registered dental hygienist providing services pursuant to a collaborative arrangement shall:

(i) only provide those services that may be provided under general supervision as specified in subdivision (b) of this section, provided that the physical presence of the collaborating dentist is not required for the provision of such services;

(ii) instruct individuals to visit a licensed dentist for comprehensive examination or treatment;

(iii) possess and maintain certification in cardiopulmonary resuscitation in accordance with the requirements for dentists set forth in section 61.19 of this Part and the following:

(a) At the time of his or her registration renewal, the dental hygienist shall attest to having met the cardiopulmonary resuscitation requirement or attest to meeting the requirements for exemption as defined in clause (b) of this subparagraph.

(b) A dental hygienist may be granted an exemption to the cardiopulmonary resuscitation requirement if he or she is physically incapable of complying with the requirements of this subparagraph. Documentation of such incapacity shall include a written statement by a licensed physician describing the dental hygienist's physical incapacity. The dental hygienist shall also submit an application to the department for exemption which verifies that another individual will maintain certification and be present at the location where the dental hygienist provides dental hygiene services, pursuant to a collaborative arrangement, while the dental hygienist is treating patients.

(c) Each dental hygienist shall maintain for review by the department records of compliance with the cardiopulmonary resuscitation certification requirement, including the dental hygienist's cardiopulmonary resuscitation certification card; and

(iv) provide collaborative services only pursuant to a written agreement that is maintained in the practice setting of the dental hygienist and collaborating dentist. Such written agreement shall include:

(a) provisions for:

(1) referral and consultation;

(2) coverage for emergency absences of either the dental hygienist or collaborating dentist;

(3) resolution of disagreements between the dental hygienist and collaborating dentist regarding matters of treatment, provided that, to the extent a disagreement cannot be resolved, the collaborating dentist's treatment shall prevail;

(4) the periodic review of patient records by the collaborating dentist; and

(5) such other provisions as may be determined by the dental hygienist and collaborating dentist to be appropriate; and

(b) protocols, which may be updated periodically, identifying the services to be performed by the dental hygienist in collaboration with the dentist and reflecting accepted standards of dental hygiene. Protocols shall include provisions for:

(1) case management and care coordination, including treatment;

(2) appropriate recordkeeping by the dental hygienist; and

(3) such other provisions as may be determined by the dental hygienist and collaborating dentist to be appropriate.

(3) Collaborative arrangements shall not supersede any law or regulation which requires identified services to be performed under the personal supervision of a dentist.
